THE ROTATING BEACON

SUMMER 1994 BULLETIN

of the

INTERNATIONAL FELLOWSHIP OF FLYING ROTARIANS
- - - - -

United Kingdom Section

NOTICE TO AIRMEN

When you joined I.F.F.R. most of you indicated your wish to participate in the activities by attending events at home or abroad. This year our own meetings were held at Hendon in March and at Kirkbride near Carlisle last weekend, and we were happy to welcome some new faces.

In addition to the Scandinavian Section meeting in August, invitations have now been received for U.K. members to attend no fewer than THREE fly-in IFFR Meetings to be held on the first, second, and fourth weekends in September. Details of these are given in the following pages which for your convenience have been set out to include the booking form for each event beneath the relevant programme. The Organisers ask for early replies, at the LATEST by 31st July in order to make the necessary hotel reservations on your behalf. PLEASE co-operate by sending in your booking form and where requested a deposit direct to the Organiser. You may use or copy the entry form attached and reply by letter or fax.

There really is no excuse for any member not being able to attend at least one of these meetings. Those with limited flying experience are welcome to bring an I.R. pilot or instructor, and those whose wives do not enjoy flying may bring a member of your Club - whether Rotary or Flying. All our visitors are made most welcome, ladies are always present in numbers, English is spoken throughout and you meet old friends and make new ones.

Those members without access to an aircraft are invited to contact me and I will endeavour to arrange seats, as there are often fellow members with empty seats happy to share expenses as is now legally permitted. If you have spare seats tell me and I will try to fill them. As I am away until mid-July sent me a fax and I will deal with it on my return. Do not use lack of transport as an excuse for absence.

Above all please support your Chairman & Committee who try hard to maintain the objectives of IFFR : Flying & Fellowship. The growing success of IFFR is illustrated by the formation of a new European Section in the Netherlands which is holding its Inaugural Meeting on 2/3rd September. Do take your share of the credit for the expansion in Europe by being present.

John D. Ritchie
Secretary/Treasurer
