

International
Fellowship of
Flying Rotarians

The International Fellowship of Flying Rotarians is open to all Rotarians, Rotaractors, Rotary International Alumni and close relations of a Rotarian* who are interested in General Aviation.

Each year the UK Section which is operated by IFFR (UK) Ltd holds a series of one-day events ideal for Private Pilots hiring Club aircraft as well as those who have their own or shared aircraft. But those arriving by road are equally welcome – you do not need to be a pilot to join, just interested in aviation.

For current list of UK events (subject to COVID19) go to <https://iffr.uk/uk-events/>

Invitations to overseas events go to [See the great programme of IFFR events all around Europe](#)

or past events <https://iffr.uk/newsletters/>

Membership of The International Fellowship of Flying Rotarians gives:

- Regular contact with others who share your interests - Rotary and Aviation.
- The opportunity to take part with other members in visits at home and abroad, to Air shows, Museums, Rallies, Reunions and other aviation events.
- A distinctive IFFR badge acknowledged by Rotary International.
- A Newsletter telling of past and forthcoming events in Britain and in the rest of the World – sent by post and available online.
- Online secure access to a listing of IFFR members worldwide.
- Monthly online meetings with interesting speaker.

Once you have joined you may usually bring a friend, spouse or partner to events – ideal if you share an aircraft with a non-Rotarian. Combining an interest in aviation with the fellowship of Rotary makes a great basis for increased enjoyment of both.

Please complete the form below or if any questions e-mail membership@iffr.uk
