International Fellowship of Flying Rotarians - section Benelux

Come to EHTE

My dear IFFR friends,

Due to the Corona crises we were forced to cancel our 2020 Fly In, but we hope to hold our 2021 Fly In in Teuge, with the program of 2020.

A nice field, with a hard surface runway of 1199 x 27 m (08/26), which is home to several aircraft service companies and restaurants.

We have built an entertaining program and selected a nice hotel near Apeldoorn.

For those interested in WW II, we have planned a visit to the Airborne Museum, where the (failed) operation Market Garden is re-staged.

We will visit the Open Air Museum in Arnhem, where typical historical Dutch houses and sights have been rebuilt.

We will also be paying a visit to the Royal Stables and gardens of the former Royal Palace "The Loo".

Looking forward to meet you in Teuge,

Huub van Heur,
president IFFR Benelux

Itinerary of the IFFR Benelux weekend

Friday September 10th

Arrival at the airfield of Teuge from 11.00 - 13.00 hrs. At registration in restaurant Take-Off you will receive your weekend information.

Restaurant Take-Off is situated directly at the runway. Their philosophy is to prepare tasty food in a durable way with respect for all living creatures. They manage to do this with a small selection of seasonable ingredients. You will enjoy your lunch here before our first excursion.

Our first trip will go to the former royal palace "The Loo", with the famous stables and gardens. When you pass the box-office in the entrance building, you enter the Stables Square. The low buildings to the left and right are the stables. They were built between 1907 and 1909 at the orders of Queen Wilhelmina (1880-1962). Under the roof is the Harnessing Area where the coaches and carriages can be seen. Visitors can also enter the Coach houses to get a close look at the presentation of Dutch royal transport with carriages, cars and

sleighs. The stable complex offers room for a total of 88 horses. A section of the stables is still used by the Royal Stables in The Hague. You will have a guided tour of the stables, coach houses and the beautiful layout of the gardens.
